

BECOME A BETTER BOWLER!

Score and stats on the phone

The Lanetalk app is connected to the center's scoring system and lets you view all played frames live on your phone. For every game you play, the stats will be more comprehensive, which gives you insights on how to become a better bowler.

Available on the
App Store

GET IT ON
Google Play

COMPETE

Challenge friends or compete in local and global tournaments from your home center.

PRACTICE

Our stats give you smart insight about what you need to develop to improve your game.

FOLLOW, SHARE & BRAG

Follow friends' games, compare statistics and share your best results with others.

Download the app today
and get started!

HOW TO GET STARTED

1 Download the app

Download the Lanetalk app from App Store (iOS) or Google Play (Android).

2 Create an account

Link the Lanetalk app to your Google, Facebook, Apple or e-mail account.

3 Start playing!

When you're at your lane in a Lanetalk connected center, tap "Play" in the app, and follow the instructions.

WE BRING STATS TO BOWLING

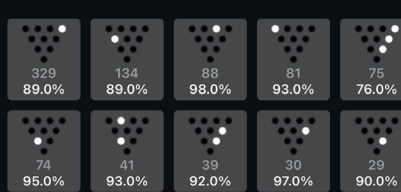

Average Game

Track Your Progress

See your streaks and compare your game to other's. Build on your strengths. Improve your weaknesses. This is just a great tool.

Pin Leaves

Statistics

Advanced training and tournament statistics, Lanetalk automatically reads every frame you play and generates aggregated statistics of your game.

Ryan Aniston

GAME 3 TOTAL 650									
1	2	3	4	5	6	7	8	9	10
9	6	9	7	5	4	X	X	9	8
16	35	52	67	76	105	125	143	151	178

Annie Jonson

GAME 3 TOTAL 672									
1	2	3	4	5	6	7	8	9	10
X	X	X	7	X	X	X	X	X	9
30	57	77	97	127	157	187	216	236	256

Live Scoring

Watch tournaments or leagues from anywhere in real-time.
